### **BRIDGE WORK ON INTERSTATE 10 WIDENING PROJECT WILL REQUIRE LANE CLOSURE ON CITRUS AVENUE IN REDLANDS BEGINNING JANUARY 23**

The widening of Interstate 10 in Redlands will require the reconstruction of the Citrus Avenue freeway bridge. This bridge widening will require Citrus Avenue to be reduced to one lane in each direction January 23-26 from 6:30 a.m. to 3:30 p.m.

One lane in each direction will remain open on Citrus Avenue between approximately University Street and Interstate 10. During this closure, crews will be demolishing the existing bridge walls to make room for the wider bridge.

Please drive carefully through the construction areas and follow all posted signs. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov).

SANBAG appreciates your patience during this freeway widening project.
